I, the person(s) signing below, certify that each item of information contained in this Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the statement, in accordance with 37 CFR §1.97(e)(1).

No representation is made or intended that a complete and exhaustive prior art search has been made, or that no better references than those set forth below are available. Furthermore, this Statement does not constitute an admission that these references are properly citable against the present application as prior art.

It is respectfully requested that these references be considered by the Examiner and formally made of record in this case.

Applicant believes that no fees are due. However, in the event that a fee or credit is owed or due, the Commissioner is authorized to charge or credit any deficiency/over-payment to Deposit Account No. 19-0615. Two copies of this paper are attached.

Respectfully submitted,

William B. Batzer
